

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 27, 1995

SUBJECT: **SB 1649 - HB 1535**

This bill, if enacted, will require certain municipalities to make a *good faith effort* to notify every property owner in an area that is being considered for annexation of the annexation plans. The provisions of this bill do not apply to metropolitan counties and only applies in annexation of land involving 200 or fewer property owners.

The fiscal impact from enactment of this bill is estimated to be an increase in local government* expenditures to notify certain property owners of the municipality's intention to annex the territory. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director

*Article II, Section 24 of the Tennessee Constitution provides that: *no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
